

Bliss Hookah Flavors

A Univac Group Company

Welcome to the world of “BLISS Hookah Flavors” - Over 100 mouth watering Tobacco / Non Tobacco flavors -

Univac Group India, a Government of India recognized Export House and one of the largest manufacturer and exporter of India have done exceptionally well in carrying forward a tradition of offering the finest quality Tobacco and Herbal (**non tobacco**) **Hookah flavors** to the world.

Bliss Hookah Flavors, one of the group company of Univac Group India, follows the world class quality standards in both Tobacco and Herbal (**non tobacco**) **hookah flavors** categories and promises to enrich every smoking experience with a blend of heritage and freshness that is as rich and royal as the legacy itself! Univac Group India exports world class Herbal (non tobacco) and tobacco Hookah flavors to all across the world and especially to Middle East, Africa, Europe, USA, Australia, New Zealand and Asia.

With a comprehensive product folio in tobacco and Herbal (non tobacco) hookah flavors ranging from the finest quality Molasses in innovative flavours that appeals to a broad range of sophisticated and trendy consumers alike. An exciting one stop-destination for every Hookah need, from the remarkably fine detailed Shisha Apparatus to a compilation of unique flavours, charcoals and aluminum foils, we have all in one package to delight every Shisha Connoisseur.

We believe in constant innovation, with our range of **Bliss Tobacco Hookah Tobacco & Bliss Non Tobacco Hookah flavors** in more than **100** mouth-watering flavors and still counting, the innovation just doesn't stop here, as we bring in the health perspective with 100% Tobacco-Free and Nicotine-free non tobacco Molasses. It can be enjoyed with our intricately designed range of Hookah Apparatus.

Commitment to quality and excellence has been our prime force since inception, the ideology trickles down to all our operations and becomes our core value. The strength of the brand has always been its people. We believe that in the years ahead, we will tread new grounds, widen the spectrum and stretch trade horizons, while retaining “Customer Satisfaction” as our prime focus.
